

FIELD SERVICE TECHNICIANS NEEDED

RMS is a municipal, contractor and industrial services provider based out of Mchenry, IL. We work in a variety of applications from watermain valve installations, plant valve repair, pressure connections and line control to wastewater/stormwater collection system inspection and repair services. We also support three sales firms and work for the federal government, including the military which allows us to do some really amazing things. We are growing rapidly and are looking for talented technicians to grow with us and work in our fast paced, fun environment.

We are looking for multiple candidates to fulfill the role of: **Service Technician I**

Ideal candidates should have:

- Ability to lift 65 pounds continuously (or more with assistance from tools)
- Ability to work on your feet, outdoors year-round and in all weather conditions
- Ability to travel overnight (roughly 1-2 weeks per month)
- Ability to perform basic computer tasks (Windows Explorer, Uploading/Downloading files, Windows 7/8) as well as be able to work on field tablets
- High School diploma or GED

Optional advantages are:

- Contractor or Municipal Experience
- Water or wastewater license
- Plumbing license
- NASSCO certification and/or PACP/MACP coding software
- GPS / GIS exposure and experience

Benefits / Pay:

- Hourly Pay: Generous pay / hour based on experience with 90 day review
- Vacation / Personal / Sick Time
- Health Insurance
- Performance Bonus Pools

We are a small company which means that we still are aware that our staff is our most important asset and investment. We have a fun environment where people genuinely like coming to work and the variety of tasks that they get to do, and we still believe that a good sense of humor is the best quality anyone can have. If you've ever wanted to know that your effort makes a direct impact on success, this is the place.

Candidates chosen will be require to pass a pre-employment drug test and provide pre-employment driving abstract.

Interested candidates are encouraged to submit resumes to gary@rms4service.com (Attn: Gary Hallaert)
